

1 September 2017

We will be holding a planning meeting to determine the amount of interest and various other details about the Pine River Sports Association Winter Pistol indoor shooting activities. This meeting will be open to members, non-members or anyone who may be interested in participating in our winter indoor shooting activities. Our activities are geared to new shooters, neophytes, and intermediate skill handgun shooters and those who enjoy the camaraderie of shooting in a group setting. Our groups are small to very small so there is no need to feel self-conscious or feel that you may be hindering someone of more experience. Instruction will be available at our activities and shooters are always glad to help out the inexperienced or those who may want or need it.

We will be specifically looking for input to determine the following:

- How many Pistol Leagues to host?
- Types - Centerfire or Rimfire and/or Air Pistol.
- Dates - Wednesday evenings are available, also Tuesday & Thursday until 1 January 2018, also Friday evenings, Saturday & Sunday evenings may also be possible.
- Times - Preferred time is from 6:30pm to 9:30pm (or later) and other times can be explored.
- Courses of fire - We are open to ideas, however we cannot use steel or reactive type targets indoors.
- Targets - Various Silhouette type (B29), Bullseye (B2 or B3) or others. We are open to ideas. There are many paper or film targets which can be used.
- Entry Fees - There will have to be small fee's which help defray the cost of heating, electricity and insurance. We want input regarding the amount.
- Awards - Some activities may have awards for the high score, etc. Also results will be posted in the local newspaper. (sort of like the bowling scores)

We may also cover some items related to the Driftless Area Defensive Pistol League. (DADPL), but separate meetings will be scheduled for that, at both the PRSA and SWTC in Fennimore.

There may be other winter shooting activities, such as smallbore rifle and pistol, light rifle and squirrel gun. These will be covered at separate meetings by the directors of those disciplines.

The meeting will be held in the Pine River Indoor Range Club Training Room, [September 30th, 2017](#), beginning about [6:00pm](#). We hope to conclude by +/-9:00pm. If you can't make it at 6:00pm feel free to drop in any time before 8:00pm and you will be heard.

We are located at [1535 N Cedar Street in Richland Center, Wisconsin](#), at the north edge of the city cemetery, next to Neal's Muffler Shop.

Bring a friend who may be interested and has not heard of the PRSA. We especially invite women, veterans and anyone with a disability. The range is wheelchair friendly (no stairs) and we invite one and all. We would be pleased to see a separate ladies league if there is enough interest.

If you would like additional information about the Pine River Sports Association, we invite you to check out our website. <http://myprsa.org>

If you are unable to come to the meeting and would like to discuss our winter shooting activities you may contact me by telephone at 608-986-2051 or by email

at rcprsa@gmail.com or cockrbn@gmail.com

You may also contact our President Larry Marshall, Secretary Cheryl McNurlin, or Treasurer Don Stanke. Their contact info is shown on the website.

We hope to see a good turnout and another successful indoor winter shooting season. Thank you.

Gil J Hoerth / Pistol Activities Director
