#### Pine River Winter League

This year the PRWL will be the same as last year, with two leagues - rimfire and centerfire. We will begin each shoot at 6:00pm (+/-) on Wednesday evenings. For those unable to attend every Wednesday evening, alternate dates and times will be allowed if there is range time available.

The first PRWL shoot will be on November 29th, beginning with rimfire - and will alternate between rimfire and centerfire on a weekly basis.

The Rimfire course will be 30 rounds slow fire, 10 minutes for 10 rounds, fired on the 3) NRA B-2 targets. Distance is 50 feet. This is a precision course, speed has no bearing. Maximum time allowed is 30 minutes for the entire course, including reloading, loading magazines, etc.

The Centerfire course will be the NRA Gallery course, this has elements of both precision and speed, however speed does not count toward the final score. It is only an element of the course of fire.

10 rounds slow fire in 10 minutes, target will be the B-29 silhouette.

10 rounds timed fire, fired in 2 strings of 5 rounds each in 20 seconds per string. Target will be the B-29 silhouette.

10 rounds rapid fire, fired in 2 strings of 5 rounds each in 10 seconds per string. Target will be the B-29 silhouette. All shooting will be at 50 feet.

There will be 8 separate shoots for record on Wednesday evenings beginning about 6:00pm and completed by 10:00pm.

Entry fee for all eight (8) shoots is \$25.00 for rimfire and \$25.00 for centerfire. You may shoot either or both.

The award schedule, for the PRWL is still being worked out and will be determined by the number of competitors. It may be trophies, plaques, merchandise or cash. Minimum payback value will be 33% of entry fees.
